## Part B: Extracurricular Music

There are many opportunities for students to sing and play music outside of their curriculum lesson time. This section includes detail on choirs, ensembles and bands and also how students can make progress in Music beyond the core curriculum.

### **Instrumental and Vocal Lessons**

We have a team of nineteen Visiting Music Teachers (nine are employed via Warwickshire Music and ten are self-employed). They deliver tuition in the following:

- Strings (Violin, Viola, Cello, Double Bass)

- Brass (Trumpet, French Horn, Trombone, Tuba)
- Orchestral Percussion
- Classical Guitar, Electric Guitar and Bass Guitar
- Piano, Organ, Jazz Piano
- Voice

Weekly lessons are 25 minutes and cost £195/term. Teachers aim to deliver 30 lessons over the course of the academic year. Students in receipt of Pupil Premium funding are invited to contact the Headmaster's PA to request financial support with the cost of music lessons.

### **Year 7 Scheme**

All Year 7 students are offered the opportunity to study an instrument, free of charge, for their first term as part of the Year 7 Scheme. This is the School's tangible investment in the musical ethos of the School: all students can take part.

As well as their individual lesson, Year 7 students participate in the following weekly ensembles led by a specialist staff:
